In striving to achieve higher goals, responsibility is developed and individuality blossoms.

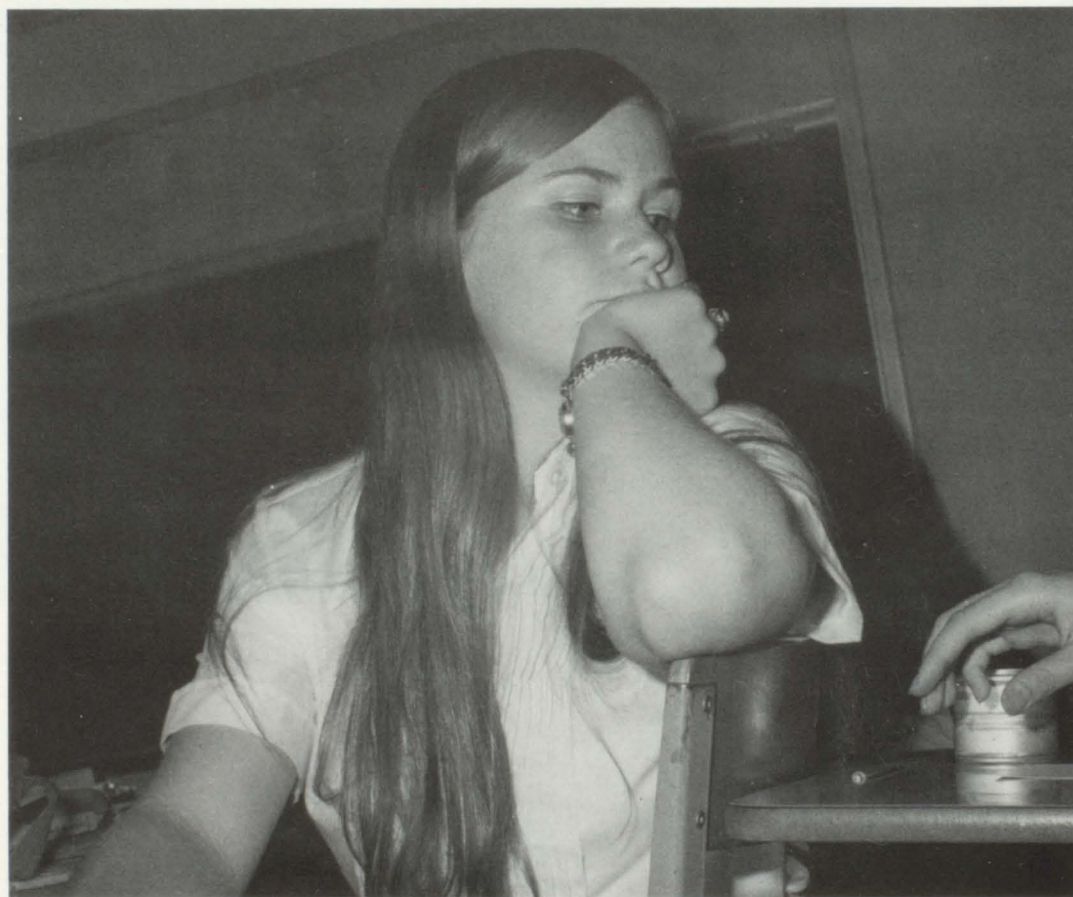

Thus one will grow  
in grace as he increases  
in age.

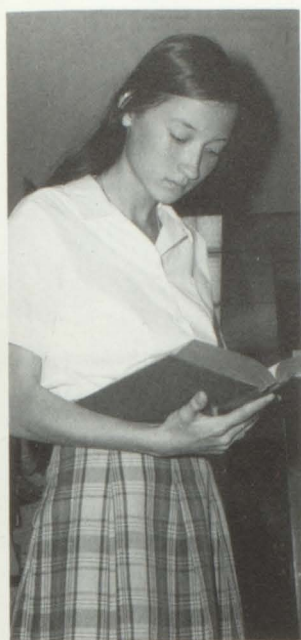

Our country, through its young people,  
looks for a brighter tomorrow. Since  
a nation is the totality of its individual  
citizens. As certain as they grow, so will  
the nation be strengthened.

Therefore, the people of Saint Vincent's Academy face the future—its changes and challenges—courageously, intelligently and joyfully.
